

FROM THE EAST

Congratulations are in order for our newest brother Master Mason Eric Moller! It has been our pleasure to assist you in your journey. Brother Eric has been an example of what dedication can do to expedite your journey. One more step until you're free to enter the Masonic World in totality.

To the brethren and officers I thank all of you for your participation and diligence. I am still awaiting Kilauea lodge to notify us on dates to do at least one courtesy third degree in October.

As we get closer to the end of the Masonic year I would ask any brother who has a interest in progressing or joining the officer line to communicate with one of the pillars. Preparation time for next year starts now.

We have started the process of purchasing new officer/lodge shirts thanks to our brother Hugh in Oahu. If anyone is interested in purchasing a custom made shirt with custom embroidery please let me know.

My daughter's (Aaliyah) birthday celebration will be at the Kohala Jodo Mission, November 16th in Hawi, Hawaii. An invitation will be posted at the lodge soon. I don't have exact start time yet sir but it will be a lunch event.

Please note that the lodge will be having the final vote on the raising of dues at the November Stated Meeting. Please make every effort to attend.

In closing I thank all of you for the continuous support that you give to this lodge. It is truly that cement that unites us.

FROM THE WEST

Aloha Brethren, I would like to congratulate our newly Raised Master Mason Brother Eric Moller and also the degree team for putting together all the hard work to make it such a memorable night.

To all lodge members who are interested in purchasing the new Officer Line shirts, I believe the brother who will come from Honolulu will be here at our November Stated Meeting to take measurements and place the orders. Brethren, these are really nice collared dress shirts that come in different colors and are custom fit and embroidered so please try and make it if you're interested.

To all our traveling brethren and family members, mark your calendars and join us for monthly stated dinner and I believe we have a second degree at the end of this month so brethren, please come and celebrate the important event and Masonic comradery.

Fraternally Yours,
Chris Domino PM
Senior Warden

FROM THE SOUTH

As we approach the end of the year, it is time for some thought on what's next. Here are some questions for our membership:

Are you an active participant in Kona Lodge? When was the time you sat next to your brethren in Kona Lodge and enjoyed witty company? Have you ever served as an officer (in Kona Lodge or another Lodge)? Do you want to support Kona Lodge, with more than just your dues? Has your smiling face ever made someone else smile in Lodge? Do you want to join the officer's line?

Before you dismiss the idea of becoming an officer immediately, think on the following. You will get to wear a fancy white shirt. You will be asked to cook a stated meeting dinner once a year. The Master (not this Master, obviously) will be asking you to memorize voluminous pages of speech. You will not have any home life the whole time you are an officer.

Seriously, becoming an officer does take a little commitment, but that's a commitment you proved when you went through your initiation. It's a feeling all Freemasons share and have in their hearts. It's what sets us apart from everyone else. It's what sets us on the journey to know more about our Masonic ancestors and to teach our new initiates more about our own journey. I urge you to think about your journey and to share your experiences through the medium of the officers' line.

"Masonry is too great an institution to have been made in a day, much less by a few men, but was a slow evolution through long time, unfolding its beauty as it grew. Indeed, it was like one of its own cathedrals which one generation of builders wrought and vanished, and another followed, until, amidst vicissitudes of time and change, of decline and revival, the order itself became a temple of Freedom and Fraternity."
