

FROM THE EAST

Aloha Brethren, February was quite a busy month for Kona lodge. Over 30 brethren and their families were in attendance for our February Stated Meeting. We had a full house and what a very pleasant time was had by all. We always encourage traveling brethren to join us at all our Masonic functions.

I would like to congratulate our newly-raised Master Mason Brother Michael Olson who also gave his second degree proficiency at the February Stated Meeting. Your motivation will take you far in your Masonic travels.

Thank you Brother Troy Gibson for sitting in the east for the 3rd°. To all the officers in attendance, your support, team work, and dedication, is what makes our lodge the greatest fraternity to be a member of.

Masonry is just not only a fraternity, it is a way of life for some of us. It is a vehicle to step out of your normal everyday routine and come together and learn what our forefathers in Freemasonry believed in and stood for:

- Brotherly Love
- Friendship and truth

As Masons we apply our teachings to our daily routines and spread it in ways that most might not understand, but we as Masons, should always remember to share the light.

I will be traveling for most of the month of March, please do not let my absence disrupt any important tidings the lodge may have.

Thank you all!

Fraternally Yours,
Chris Domino
Worshipful Master

FROM THE WEST

Congratulations are in order for our newest Master Mason, Brother Michael Olson. My Brother your journey has just begun. I'm sure I speak for everyone when I say it was a pleasure taking part in your journey thus far and Kona Lodge welcomes you to the family. Brethren, thank you for participating in Brother Olsen's journey. This is truly what being a brother is about.

Moving forward, we will continue to move the lodge in a positive direction and I foresee more degrees on the horizon. I invite any Brother that have not been to lodge in a while to come down and share some fellowship and see the changes that are being made. We are scheduling a "spring cleaning/fellowship day", I will be contacting brothers directly.

As always it is my pleasure to serve the will and pleasure of the brethren and I appreciate all of your support.

Fraternally,
Troy Gibson
Senior Warden

FROM THE SOUTH

Brethren, the year is just starting, Brethren join me in welcoming Brother Michael Olson to Kona lodge. I am pleased with the progress he has shown in such a short period of time.

Not knowing what the future holds for us, I know that the brethren of Kona Lodge will hold the Masonic Ornaments of Brother Love, Relief and Truth as a foundation to build on.

For the month of March I will be preparing Chicken Cacciatore over White Jasmine Rice. You ask about dessert? Yes, of course we will have dessert.

My plans for this year are to make every dinner a memorable one. See you at dinner!
