

FROM THE EAST

Greetings Brethren, "Our lodges should maintain that high efficiency of moral rectitude, in both principles and practices, which would be helpful and beneficial to the neighborhoods in which they are located. While masonry is neither religious, political, or financial, yet it should stand among all these giving that moral support, to those just and correct relations, that each should sustain to the other. Masons as men of the community, should in their conduct and conversation create and maintain that healthy public opinion, that assures respect to our churches and sanctity to our religion; that upholds our government and gives dignity to the enforcement of our laws; that sustains our various industries, and promotes honesty and fair dealings in all our financial relations; that creates the community stamina and loyalty; that brings peace and security to our homes, and joy and happiness to our hearts." (Milton Winham, P.G.M., Arkansas)

There will be an Officers' practice on October 11th and 18th. All officers should make every effort to attend, as we will be practicing advanced stations in preparation for next year.

Heads up: Wednesday November 15th will be a **joint 3rd degree, with Kilauea Lodge**, for one of their own. Please start practicing your advanced stations work, for this important degree.

See you in Lodge,
Bob Brogan
Master

FROM THE WEST

Aloha Brethren, I cannot believe it's October already which means it's about that time for our officers to complete getting ready for advanced seats and conducting the necessary lectures. I know we all put hard work into our current and future positions in the line. Please keep up the

hard work and dedication in keeping our Masonic Lodge and Traditions alive for our future brethren.

We had a First Degree on the September 27, 2017. Please come to the Stated Meeting and welcome Michael Olson to the world's greatest fraternity. What I mean by the Greatest Fraternity: Here are a few events that took place in October:

- *On October 30, 1911, Franklin D. Roosevelt (U.S. President 1933-1945) received his 1st degree in Holland Lodge #8, New York City.*
- *On October 11, 1937, Lyndon B. Johnson (U.S. President 1963-1969) received his 1st degree in Texas.*

I extend to all of the Masonic Brethren, traveling or not, to come and join us at all our ceremonies and enjoy the dinners, comradery and aloha from Kona lodge.

Fraternally Yours,
Chris Domino
Senior Warden

FROM THE SOUTH

Aloha my brethren, I first would like to welcome our newest EAP, Brother Michael Olson, and congratulate him on starting his Masonic journey. Masonry is a lifelong endeavor and I am glad to welcome you to our Kona Lodge Masonic Family.

To my fellow officers, you are in the 4th quarter of studying for your advanced stations and I again want to remind all officers to utilize our Past and current Masters as study resources. These senior members have been extremely helpful to myself and I'm sure would be willing to aid anyone who needs to work on their progression.

Thank you to all my brothers who have assisted with cooking it is truly a team effort. I thank you all again for your support and brotherly love and assure you I will do my best to serve.

See you at lodge,
Troy D Gibson Sr
Junior Warden
