

From the West

Aloha, I am Larry Jones. Senior Warden of Kona Lodge for the ensuing Masonic year 2003. I grew up in a Masonic Family, my father Robert, Past Master of Romeo Lodge #41, Romeo Michigan, my mother Mary a Rainbow Girl / and Eastern Star Matron. I became a Mason in 1995 after meeting Nicholas Lopez, PM and Joe Chew both of Kilauea Lodge, Hilo, Hawaii when I noticed their compass and square.

After a conversation and finally asking the question I applied and took my degrees in Kilauea Lodge. I was appointed Junior Deacon that year and made it to the Station of Senior Warden.

In 1999 after a serious on the job injury and miraculous recovery I accepted another position, a promotion with my employer Verizon Hawaii and relocated to Kona, Hawaii, the other side of the Big Island. In 2000 I petitioned Kona Lodge for affiliation and became a dual member where I again joined the Line and appointed Senior Deacon.

I have enjoyed every moment being a Mason from the fellowship; the meeting of many, many new friends to the learning of the ritual I am looking forward to my year, as Master, should the Brethren of Kona Lodge elect me.

Please visit us in Kona if your journeys take you to the Big Island of Hawaii, we will look forward to seeing you in our Lodge.
